REPORT ON “VEETTUKKU ORU VINGNANI – POLYTECHNIC STUDENTS”

Venue: Seminar Hall, AAA College of Engineering and Technology

Date: 19.12.2018

AAACET has crossed another mile stone in its journey by conducting State Level “Veettukku Oru Vingnani” for Polytechnic College Diploma students in collaboration with Puthiya Thalaimurai on 19th December 2018 (Wednesday) at the college premises. Totally 250 students from various Polytechnic colleges exhibited their innovative projects in various fields. Nearly 600 Students from in and around our Virudhunagar District encouraged the participants by appreciating the projects directly. Not appreciating viewing the projects directly. The arrangements were made in a grand manner as usual. The Chief Guest was none other than the former Senior Scientist Nellai, Mr. S. Muthu Indian Space Research Organization. The Chief Guest explained the importance of technology and the need for innovative projects for the development of the nation. He has explained the achievements of ISRO in a brief manner.

Our Principal graciously welcomed the gathering. Our correspondent Dr. P.Ganesan and Our joint secretary Er.K.Vignesh kumar are graced the occasion. Our management was generous enough to give Special JuryCash award of rupees two thousand to five projects, and third prize Cash Award of rupees five thousand for five projects each and rupees ,Ten thousand for Second prize and rupees Fifteen thousand for First prize. Puthiya thalaimurai gave Shields to The first, second and third prize winners. The senior manager of Puthiya Thalaimurai gave vote of thanks. The participants from various polytechnic colleges were wonderstruck by grandeur of AAA AND PRAISED THE HOSPITALITY and the arrangements to the sky. Nearly 125 colleges with their students attended this programme and clarified their doubts in the interactive session. All the students are fully satisfied with the lively presentations.

REPORT ON “PASSPORT AWARENESS PROGRAM”

Venue: Seminar Hall, AAA College of Engineering & Technology

Date: 06.09.2018

As a vision to deliver passport services to citizens in a timely, transparent, more accessible, reliable manner and in a comfortable environment through streamlined processes and committed, trained and motivated workforce. Passport Seva enables simple, efficient and transparent processes for delivery of passport and related services. Apart from creating a countrywide networked environment for Government staff, it integrates with the State Police for physical verification of applicant's credentials and with India Post for delivery of passports. As a initiative to create an awareness about passport related information, a program was held on the topic “Passport Awareness Program” at AAA College of Engineering and Technology on 06-09-2018. Mr. T. Arun Prasad (IES)- Regional Passport Officer, Madurai was the Chief Guest, he delivered speech on Importance of applying Passport and availability of applying Passport through online website “portal2.passportindia.gov.in”. Following him, Mr. K. Pal Ravindran –Deputy Passport Officer, Madurai registered Passport for more than 150 students through online and Mrs. S. Vijaya Lakshmi – Citizen Service Manager, Madurai verified the Documents given by the participants.

REPORT ON “IMPETUS FOR CIVIL SERVICE EXAM”

Venue: College Campus, AAA College of Engineering and Technology

Date: 03.02.2019

AAA College of Engineering & Technology, Sivakasi organized a special talk on Impetus for Civil Service Exam on 3rd February, 2018 in the college Seminar Hall. Virudhunagar District students from Arts and Science, and Engineering Colleges were present at the program. Nearly 607 participants benefitted out of the program. Thiru M. Prathap, Tamil Nadu IAS Topper (2016 – 17 Batch) was the guest of honour. In the presence of the Correspondent Dr.P. Panjurajan Ganesan The Principal, Dr. K. Arulmozhi welcomed the gathering. The guest of honour inaugurated the I Create Entrepreneurs of AAACET. Dr. A. Raja, Senior Faculty, Vetri IAS Academy felicitated the program. Thiru M. Prathap spellbound the audience through his speech. He explained the importance of concentration. He nailed his argument saying that the students need to be focused on their goals. The literacy rate of Tamil Nadu is more than that of India. Yet the percentage of youngsters entering civil service examination is comparatively less. So, he encouraged the students to choose and utilize the opportunities to serve the nation. He then enthusiastically clarified the doubts of the students.

Venue: Auditorium, AAA College of Engineering & Technology

Date: 09.09.2017

AAA College of Engineering & Technology organized a MOTIVATIONAL program called “Future India” on 9th September 2017 around 11 a.m. in the college A/C seminar hall. Shree R.RANGARAJ PANDEY, Chief News Editor, Thanthi Tv was the guest of honor of the program. Correspondent Dr. P.Ganesan welcomed the gathering. The chief guest, Shree Rangaraj Pandey, in his speech, advised the students about the present scenario of what’s going on around the world and they should take all their failures as a motivational force to attain their goals. He also insisted the students to have a very good knowledge of their domain and upgrade themselves in recent technology to excel in life. He wished that one of our AAA College of Engineering and Technology students should become a business tycoon. Followed by this there was a questionnaire session. Participants asked number of questions and the Chief Guest Shree Pandey also replied to those questions with all ease. Towards the end he advised the students to concentrate on their studies and to establish themselves in life. Then they should shoulder the social responsibilities. The programme was arranged in a grandeur manner by Chairman Shri. P. Panjurajan, Secretary Dr.P.Karvannan, Correspondent Dr. P. Ganesan, Joint Secretary Mr. K. Vignesh Kumar B.E., MBA (UK), Principal Dr. K. Arulmozhi and the AAA Family members
