7.1.11. Initiatives taken to engage with and contribute to local community

S.No.	Year	Title of the programme	Date and Duration	Number of participants	Contribute to Local Community	Page No.
Content						1 a – 1 b
1.	2018-2019	Roboversity	21/12/2018	44	Awareness on Robotics, Arduino Programming to school students	2
2.	2018-2019	JaithuKattuvom Aruppukottai	3/12/2018	654	Encourage the school students to prepare well for public examination. The local school student from Aruppukottai got benefited by this programme organized by our College	3 – 4
3.	2018-2019	JaithuKattuvom Sivakasi	2/12/2018	587	Encourage the school students to prepare well for public examination. The local school student from Sivakasi got benefited by this programme organized by our College	5
4	2018-2019	JaithuKattuvom Rajapalayam	24/11/2018	621	Encourage the school students to prepare well for public examination. The local school student from Rajapalayam got benefited by this programme organized by our College	6
5.	2018-2019	Workshop on Arduino	26/09/2018	53	Educate the school students on Arduino Microcontroller Programming	7
6.	2018-2019	Workshop on Arduino Programming & Interfacing	25/09/2018	49	Educate the school students on Arduino Microcontroller Programming	8
7.	2017-2018	Road Safety Awareness Program	24/01/2018	200	Awareness on road safety and preventive measures to be taken. This program was organized to create awareness among local community peoples	9 – 10
8.	2017-2018	National Mathematics day	22/12/2017	52	This program was organized to prove and to enhance their mathematical knowledge for school students	11 – 12
9.	2017-2018	Clean India Programee	26/09/2017	120	This program was organized to create awareness about cleanliness & preventive measures for the local community people	13 – 14
10.	2017-2018	AUTOCAD Training	16/08/2017	21	This program was organized to create awareness about Autocad Modelling and the application of modeling software	15 – 16

Report on “Roboversity”

Venue: V.S.K.D. Nadar Girls Higher Secondary School, Sivakasi

Date: 21.12.2018

AAA College of Engineering and Technology, Sivakasi organized “Roboversity” – Training Programme on Internet of Things and Robotics to the Higher Secondary School students (X1 and X11 standards) of V.S.K.D. Matriculation Higher Secondary School on 21st December 2018. 44 students actively participated in the training programme. The resource person of the workshop was Mrs.K.Padmapriya, AP/ECE. Students were given training on Robotics, Arduino Programming and Embedded C. Interfacing with different sensors – temperature, ultrasonic, humidity, sound sensor, hall effect sensor was also demonstrated.

PREVENTION & CONTROL MEASURES OF DENGUE FEVER – 17.03.2015

AAA College of Engineering and Technology is going to organize “Prevention & Control measures of Dengue fever” in Amathur Village on 17th March 2015. Dr. V. K. Kathiravan, M.B.B.S., D.C.H., Sivakasi Municipal Chairman, presided over the program. In his address, he explained the cause and effects of dengue fever. He elucidated the students about the main cause for Dengue fever the Aedes mosquitoes, its breeding farms and demonstrated the means to prevent its breeding in stagnant rainwater. He insisted the students keep their surroundings clean and added that “Together we can bring change; we should take responsibility to eradicate Dengue”. The AAACET students eagerly participated and rendered their service in the Camp. Chairman Shri. P. Panjurajan, Secretary Dr. P. Karvannan, Correspondent Dr. P. Ganesan, Joint Secretary Er. K. Vignesh Kumar B.E., MBA (UK), Principal Dr. K. Arulmozhi organized the camp to create an awareness of Dengue prevention and control measures among the students.
