REPORT ON "PASSPORT AWARENESS PROGRAM"

Venue: Seminar Hall, AAA College of Engineering & Technology

Date: 06.09.2018

As a vision to deliver passport services to citizens in a timely, transparent, more accessible, reliable manner and in a comfortable environment through streamlined processes and committed, trained and motivated workforce. Passport Seva enables simple, efficient and transparent processes for delivery of passport and related services. Apart from creating a countrywide networked environment for Government staff, it integrates with the State Police for physical verification of applicant's credentials and with India Post for delivery of passports. As a initiative to create an awareness about passport related information, a program was held on the topic "Passport Awareness Program" at AAA College of Engineering and Technology on 06-09-2018. Mr. T. Arun Prasad (IES)- Regional Passport Officer, Madurai was the Chief Guest, he delivered speech on Importance of applying Passport and availability of applying Passport through online website "portal2.passportindia.gov.in". Following him, Mr. K. Pal Ravindran -Deputy Passport Officer, Madurai registered Passport for more than 150 students through online and Mrs. S. Vijaya Lakshmi - Citizen Service Manager, Madurai verified the Documents given by the participants.

Global Trends in Science & Technology-India's Challenges and Opportunities

A special Guest Lecture on "Global Trends in Science & Technology-India's Challenges and Opportunities" was organized on March 2, 2018 in the college seminar Hall. Prof.Dr.Vijendra Agarwal, Former Executive Fellow in the white house office of science and technology policy, USA was the guest of honor of the programme. Joint Secretary Er. K. Vignesh Kumar B.E., MBA (UK) headed over the programme. Dr.R.Jegannathan, Former Vice-Chancellor, Middle East University, UAE delivered the felicitation address.

The chief guest in his speech insisted that Change is inevitable and constant. Only education could change the nation, especially women's education and advised the students to be equipped with a thorough knowledge in their domain and upgrade themselves in recent technology. He insisted the students to get inspired with what they are learning, excel their technical competency skills and contribute to society's betterment. He added that the younger generation need to possess 4Ts – Talent, Technology, Team Work, Think critically to solve problems and communicate effectively. He further appreciated the Indians' cleverness in make do technologies.

REPORT ON “Motivational Program – Future India”

Venue: Seminar Hall, AAACET

Date: 09.09.2017

NSS Unit of AAA College of Engineering & Technology organized a MOTIVATIONAL program called “Future India” on 9th September 2017 around 11 a.m. in the college A/C seminar hall. Shree R.RANGARAJ PANDEY, Chief News Editor, Thanthi TV was the guest of honor of the program. Correspondent Dr. P.Ganesan welcomed the gathering. The chief guest, Shree Rangaraj Pandey, in his speech, advised the students about the present scenario of what’s going on around the world and they should take all their failures as a motivational force to attain their goals. He also insisted the students have a very good knowledge of their domain and upgrade themselves in recent technology to excel in life. “Students should develop their entrepreneurial skills”, he added. He wished that one of our AAA College of Engineering and Technology students should become a business tycoon. Followed by this there was a questionnaire session. Our students asked some questions and the Chief Guest Shree Pandey also replied to those questions with all ease. He was very much pleased by the active participation of the students. Towards the end, he advised the students to concentrate on their studies and to establish themselves in life. Then they should shoulder the social responsibilities.

Chairman Shri arranged the program in a grandeur manner. P. Panjurajan, Secretary Dr.P.Karvannan, Correspondent Dr. P. Ganesan, Joint Secretary Mr. K. Vignesh Kumar B.E., MBA (UK), Principal Dr. K. Arulmozhi and the AAA Family members
